Amikor a felnőttek leoltják a gyerekszoba lámpáját, a szekrényből szörnyek bújnak elő, hogy ijesztgessék a kicsiket. Ezt minden gyerek tudja. Azt viszont kevesebben sejtik, hogy a rémes figurák nem azért huhognak, mert élvezik. Egyszerűen ez a munkájuk. **Sully**, az óriás szörmók az egyik legsikeresebb alkalmazott a cégnél, ő a Szörny Rt. csúcsrémisztője. Asszisztensével, a kicsi, gömbölyded és egyszemű **Mike Wazowskival** járja az emberek világát, hogy sikolyokat, s ezzel a világának energiát gyűjtsön. A két menő rémisztő hétköznapijai azonban szőröstül-bőröstül kifordulnak, amikor egy **Boo** nevű kislány a szörnyek világába téved.

There's a reason why there are monsters in children's closets - it's their job. Monsters, Inc. is the most successful scream-processing factory in the monster world, and there is no better Scarer than **James P. Sullivan**. But when "**Sulley**" accidentally lets a little human girl into Monstropolis, life turns upside down for him and his buddy **Mike**.

Finding Boo

Having given monsters **James P. "Sulley" Sullivan** and **Mike Wazowski** the most prestigious job in Monstropolis—Scarer—the filmmakers needed to find the right kid to scare. The character of Boo only emerged after several story changes. "Ultimately we needed the kid to be as cute and appealing as it gets, and we decided it's hard to beat a two-year-old girl for that," explains Director Pete Docter.

James P. "Sulley" Sullivan

James P. "Sulley" Sullivan may be the most celebrated Scarer in Monstropolis, but that doesn't make him mean. When the softhearted monster has to care for Boo, he discovers that love and laughter are more powerful than making kids scream.

Mike Wazowski

Sulley's scare assistant, best friend, and roommate doesn't want any interruptions in his life—especially in his relationships. Although Mike thinks Boo is a "killing machine" at first, he later finds she's a great audience for his natural comedic talent.

Boo

Boo has a vocabulary of about three words, but that doesn't stop this curious human girl from stealing Sulley's heart and overcoming her fear of Randall.

Randall Boggs

Able to scare even his co-workers with his chameleon abilities, Randall is one of the most wicked monsters in Monstropolis. His plan to capture the all-time scare record only scratches the surface of his sinister agenda.
